

Intervale Center

Burlington, VT

The Intervale's mission is to strengthen community food systems. Since 1988, they've been dedicated to improving farm viability, promoting sustainable land use and engaging our community in the food system. They're helping to build a community food system that honors producers, values good food and enhances quality of life for Burlington and beyond!

Working Lands funds will be used to develop and implement workshops and technical assistance for farmers seeking land to lease or purchase.

Total Working Lands Grant: \$20,130.22

Total Matching Funds: \$10,419.58
