

VERMONT WORKING LANDS ENTERPRISE INITIATIVE

Ironwood Brand, LLC.

Brattleboro, VT

Ironwood Brand LLC has been building customized homes for nearly 20 years, benefiting from computer-aided design skills, sometimes using native lumber from their sawmill and generally completely constructed on customers' sites. One 2012 project won a state-wide, Efficiency Vermont award in the "passive house" category. Another was a major farm house and barn renovation for the Building Green founders.

Over the last decade the business has slowly permitted, constructed and made operable a design studio and prefab construction facility. This grant will allow a facility upgrade to a solar pre-dryer, enabling drying and testing of native lumber. This grant will also help to make this a visible facility in order to

Total Working Lands Grant—\$37,500.00

Total Match provided by Ironwood Brand—\$37,500.00
