

VERMONT WORKING LANDS ENTERPRISE INITIATIVE

Ploughgate Creamery

Fayston, VT

Ploughgate Creamery began in spring of 2008. The Creamery processes and sells local cheese, and produces small-batch artisanal butter.

The funds will be used to begin dairy operations in an abandoned dairy farm. Complete renovations will be made including the building of a new creamery and renovating an old tie stall.

Total Working Lands Grant: \$20,000

Total Matching Funds: \$5,000
