

## VERMONT WORKING LANDS ENTERPRISE INITIATIVE

# Timber Gardens, LLC

East Haven, VT

Timber Gardens LLC is a logging company in East Haven, Vermont run by Keith Simoneau. Keith does almost all of his logging himself, while occasionally hiring his sons to help. Keith also does his own bookkeeping, and billing. Timber Gardens' primary business is to contract with landowners in the Northeast Kingdom to harvest and sell timber from their property.

The funds obtained from this grant will be used to purchase a CRD Metal Works Woodbine LOCO Junior Firewood Processor. The processor will enable Timber Gardens LLC, a small logging company, to substantially grow the firewood portion of its business

Total Working Lands Grant: \$20,000

Total Matching Funds: \$31,900
