

Vermont State Colleges and Vermont Manufacturing Extension Center

Randolph, VT

Hosted by Vermont Technical College, VMEC has operated as a not-for-profit since 1995 "To improve manufacturing in Vermont and strengthen the global competitiveness of the state's smaller manufacturers." This is done through confidential consulting, coaching, hands-on implementation assistance and training to help manufacturers achieve profitable growth through innovation, increase productivity, improve manufacturing and business processes, reduce costs, improve competitiveness, and create and retain good paying jobs.

Working Lands funds will be used for innovative engineering that provides a concentrated learning experience.

Total Working Lands Grant: \$39,700
Total Matching Funds: \$19,850
