

Vermont Tree Goods

Bristol, VT

Vermont Tree Goods is an early stage business, and is a specialty lumber and natural or “live” edge furniture company. The current facility is located in a former horse boarding/riding barn in Underhill.

Vermont Tree Goods is establishing a new production facility to process low grade logs into specialty lumber and furniture. Funds will be used for the purchase of equipment in the setting-up of the new production facility. The equipment includes new saws, kilns, and material handling systems.

Total Working Lands Grant: \$20,000
