Vermont Wood
Manufacturers Association

Hosted by Vermont Technical College, VMEC has operated as a not-for-profit since 1995 "To improve manufacturing in Vermont and strengthen the global competitiveness of the state's smaller manufacturers." This is done through confidential consulting, coaching, hands-on implementation assistance and training to help manufacturers achieve profitable growth through innovation, increase productivity, improve manufacturing and business processes, reduce costs, improve competitiveness, and create and retain good paying jobs.

Working Lands funds will be used for innovation assistance and workforce development for wood manufacturers by use of communications and one-on-one assistance to help enhance the industry's competitiveness in the global marketplace.

Total Working Lands Grant: \$50,000

Total Matching Funds: \$85,000
