

Tree House Hardwoods & Millshop

South Burlington, VT

Tree House Hardwoods and Mill Shop is in growth mode on a mission to be the largest retailer of locally sourced hardwoods, specialty plywood and related goods in the Northern VT. They also manufacture wood counters and custom millwork. Tree House Hardwoods and Mill Shop is located in So. Burlington, the heart of the largest economic region of the state and will soon be opening a second location in Barre. Their customers include contractors, professional woodworkers and hobbyists from the local area with out of state orders increasing. Working Lands funds will purchase a more reliable and capable flatbed truck allowing them to better source and move (local) material; upfit costs to expand their retail space and millshop in South Burlington; and equipment that will allow them to be more efficient and safe in the work they do. The key impact of this project is greater use and visibility of locally sourced lumber along with increased sales and profitability.

Total Working Lands Grant—\$29,975.33 for infrastructure to increase safety and efficiency.
